US Utility Patent Application: 09/841706, filed 04/02/2001

Inventor(s): Wendy C. McArdle et. al.

Agent Docket: bizapp1

Appointed Representative:

M. Conrad Huffstutler, #33907

PO Box 389

Liberty Hill, TX 78642

VOX (512) 5150-5151; FAX (512) 778-6080

This communication is in response to the following two communications:

A. Cover Letter for Correction of Previous Notice dated 26 Jul 2001 (signed by T. Stokes, OIPE)

B. Corrected Notice of Missing Parts 4364 (Form Letter 6201437) dated 26 Jul 2001 (Notice-2).
[Curiously, Notice-2 states that a \$65 late filing fee or oath or declaration surcharge must be paid.]

1,0 Original 4364 Notice-1 stated "\$355 filing fee and/ or small-entity statement is missing".

Appointed Representative provided on 16 Jul 2001 a true and correct copy of the PTO Reply Post Card dated 04/24/01 which confirmed that both the Fee-Payment Authorization and the Small-Entity Statement were in fact received in the PTO on 24 Apr 2001.

1,1 Corrected 4364 Notice-2 now alleges missing inventor declarations. Notice-1 made no mention of a "declaration surcharge" for any missing inventor declaration. As can be seen from the PTO Post Card dated 24 Apr 2001 (see copy submitted 16 Jul 2001), the inventor declaration with three signatures was received in the PTO. **It appears that the inventor declaration, which was received on 24 Apr 2001, became lost between Notice-1 and Notice-2, i.e. in the period 19 Jun 2001 and 26 Jul 2001.**

1,3 Request for \$65 Surcharge Removal. Since there was never any missing filing fee, small-entity statement or inventor declaration, there seems to be no justification for the continued demand for a surcharge penalty. Appointed representative requests that this penalty be removed as a clerical error or the specific PTO rule/ regulation by which it is justified be cited to avoid future misunderstandings.

1,4 Additional fee debit already authorized. Appointed Representative has already responded by providing: (a) a copy of signed original Fee Transmittal form which designated "charge any additional fee required under 35 CFR 1.16 and 1.17".

1,5 Please do not double debit. In case that the asserted \$65 surcharge is actually valid and proper, PTO already has signed authorization to charge my debit account #11-1300. I understand from Ms. Stokes hand-written comments of 26 July 2001 that the \$355 filing fee has already been debited. In case the original debit authorization is not sufficient and the asserted surcharge is actually valid and proper, please use this response as authorization to debit my deposit account #11-1300 for the additional \$65.

2,1 Request - Please Confirm Receipt and Acceptance of Substitute Figures. The 23 sheets of substitute figures already submitted were prepared with careful attention to all the new PTO drawing requirements. In view of the problems in the PTO Receiving Section, Appointed Representative requests written confirmation prior to 1 Sep 2001 that all figures have been received and accepted by the PTO. [see att. copy of PTO Reply Post Card dated 19 Jul 2001]. In case there are now missing or unacceptable figures, supplemental substitute figures can be timely provided prior to the end of the response period for Corrected Notice-2, i.e., prior to 26 Sep 2001.

Respectfully submitted,

M. Conrad Huffstutler #33907
